

As we continue with learning at home, it is important to remember that...

- ✎ You are doing a fantastic job and have adjusted to new and unfamiliar territory well.
- ✎ Learning can come from playing a board game, making a cake, watching a documentary, conversations over dinner, crafting things together; reading a book, not all learning is done via a worksheet or on devices.
- ✎ You don't have to be an expert, learn things together and make sure you ask your child and help them to feel empowered if they can teach YOU something.
- ✎ Movement breaks and playtimes are essential to burn off fidgety energy. Try short periods of work with big gaps in between.
- ✎ Mental health of both you and the children is so important. Please do contact the school or Mental Health Helpline - 0300 303 3972 if you are struggling.

If you do need support during this period, please don't hesitate to contact your child's class teacher, who will be more than happy to help.

Hungerford Primary Academy
learn to love and love to learn

Writing and Spelling:

Literacy Shed – This offers downloadable resources based on clips from YouTube. <https://www.literacyshedplus.com/en-gb/browse/free-resources>

Pobble365 – This offers a different image every day as basis for creative writing. <https://www.pobble365.com/>

Talk4writing – Here is the scheme we follow at Hungerford and they have offered whole writing units for each year group <https://mailchi.mp/talk4writing/home-school-booklets>
